

How to find a Print Book.

You can search for and find a print book on the [ADF Library webpage](#) or go straight to [ADF's WorldCat Discovery](#) page.

Search on the ADF Library webpage.

1. Go to the [ADF Library webpage](#). Select the Books tab. Select Title if you are looking for a specific text or search a Subject or Keyword. Insert your search term in the box. For example, a book with the title Fentanyl. Select Search.

ADF Library

The ADF Library is the largest and most up-to-date alcohol and other drugs library in Australia. It provides free access to a wide range of specialist print and online resources, including books, full-text articles from 11,000+ journals and databases.

[Fentanyl, Inc. : how rogue chemists are creating the deadliest wave of the opioid epidemic](#)

Authors: [Ben Westhoff](#) (Author)

Print Book 2019, First edition, First Grove Atlantic hardcover edition.
 New York: Atlantic Monthly Press, 2019.

Summary: "A deeply human story, Fentanyl, Inc. is the first deep-dive investigation of a hazardous and illicit industry that has created a worldwide epidemic, ravaging communities and overwhelming and confounding government agencies that are challenged to combat it. 'A whole new crop of chemicals is radically changing the recreational drug landscape,' writes Ben

Search for a print book on ADF's WorldCat Discovery.

1. You can also go to the **ADF Library's WorldCat search box** and insert your search term 'cocaine' in the search box and select **Search**.

2. Here you can see that there are 45,251 results. In **Format section** of the side menu select **Print Book**.

3. This result gives 82 print books about cocaine held by the ADF Library. **Refine** further into the **Publication Year** filter to the **last 5 years** which gives us four print books on cocaine. Use the **How to Borrow a Print Book** if you need help.
